**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 24, 2018, the Compensation Committee (the “Committee”) of the Board of Directors of I.D. Systems, Inc. (the “Company”) approved the Company’s 2018 Executive Incentive Plan (the “2018 EIP”) for eligible employees of the Company including certain of the Company’s named executive officers. The objectives of the 2018 EIP are to align the interests of all employees with the Company’s performance goals. Under the 2018 EIP, the Company’s performance goals are based on (i) revenue growth and (ii) “operating income,” which for these purposes is defined as operating income (loss) from operations, excluding depreciation and amortization and stock-based compensation expense. Executives are eligible to be awarded cash bonus compensation based on the Company’s annual and quarterly results with respect to revenue growth and operating income. The 2018 EIP may be modified or terminated by the Committee at any time, but incentive awards that have been earned by the participating named executive officers through the date of termination of the 2018 EIP will be payable. In addition, target awards and weightings may be modified by the Committee during the plan year based upon a shift in focus or changing industry standards, or any other factors that the Committee deems appropriate. The Committee has the authority to administer the 2018 EIP and has the final decision on any discrepancies in interpretation of the 2018 EIP. Awards under the 2018 EIP are calculated as a percentage of an executive’s base salary. The target awards for named executive officers range from 67% to 100% of such named executive officer’s base salary. The maximum aggregate amount of the quarterly bonuses and annual bonus under the 2018 EIP for each executive is 300% of the target award for such executive.
